13<sup>th</sup> December 2016

**The Club President and/or Youth Service Director**

**Re: Model United Nations Assembly (MUNA)**

Please be advised that MUNA 2017 will be held at Kempsey High School, Broughton Street, Kempsey between the evening of Friday 2<sup>nd</sup> June to Sunday 4<sup>th</sup> June 2017..

Attached is a copy of a letter that has been sent to all the High Schools in the District.

Billeting will be provided by families from Kempsey High Schools as well as Rotarians for all student delegates requiring billeting. All host families will meet the Child Protection requirements.

We would like to thank all District 9650 Rotary Clubs who have previously participated in this program and ask that you again "seek out" a team or teams from your local High School/s. Registration details will be forwarded in early February 2017.

For those clubs that have not previously participated , we strongly recommend this program and remind you the purpose of the Assembly is to simulate the workings of the United Nations with the aim of building bridges of goodwill for world peace and understanding in the minds of youth. As part of the process, delegates are advised in advance of the country they will represent and the motions to which they need to speak either for or against. A sheet providing background information is attached to this email. Each team sponsorship will cost your club \$230.00 and you can sponsor as many teams as you like.

As there is a significant amount of work that needs to be done once registrations have been received, the cut-off day for registration has been set at 7<sup>th</sup> April 2017. The School or the Rotary Club may send the registration form. Please ensure all details are provided and a cheque in favour of Rotary District 9650 (MUNA Committee) is included.

Thank you for your past and continuing support of this program and do not hesitate to contact me if you need further information.

Yours faithfully

**Tania Powick**  
**MUNA Committee**
