Because of a change in the attitude of the NSW Department of Education towards billeting of students, accommodation will be provided for the first time at the Francis Retreat in dormitory style rooms. Three meals, morning and afternoon tea will be provided each day at the Retreat.

We would like to thank all District 9650 Rotary Clubs who have previously participated in this program and ask that you again seek out a team or teams from your local High School/s.

For those clubs that have not previously participated, we strongly recommend this program. The purpose of the Assembly is to simulate the workings of the United Nations with the aim of building bridges of goodwill for world peace and understanding in the minds of youth. As part of the process, delegates are advised in advance of the country they will represent and the motions to which they need to speak either for or against.

Attached for your information is a copy of a letter and a document setting out MUNA information that has been sent to all the High Schools in the District

Each team sponsorship will cost your club \$350.00. You can sponsor as many teams as you wish.

As there is a significant amount of work that needs to be done once registrations have been received, the cut-off day for registration has been set at Sunday, 5th April 2020.

The School or the Rotary Club may send the registration form. Please ensure all details are provided.
