## **Youth Camp**

Venue - Wingham Show Ground  
Date – 7<sup>th</sup> October – 6<sup>th</sup> October 2018

## **RYAG DAIRY 2018**

### **Youth Camp**

#### **About:**

RYAG Dairy – Youth Camp is a five day camp that is run in the September / October school holidays for young people aged between 14-17 years old.

The camp allows young people to have an insight into the dairy industry and all its inner workings. It also allows the youth that attend to participate in milking, breaking in heifers, grooming, judging and parading, as well as other jobs that are associated with the dairy industry.

RYAG Dairy is run in Wingham, NSW where the Dairy industry has been a part of the Manning Valley area for more than 100 years.

## RYAG Dairy – Youth Camp

7<sup>th</sup> October – 10<sup>th</sup> October – 2018

The RYAG Dairy Youth Camp has been running for 12 years. The camp is runs by district 9650 Rotary Club of Wingham and Mid Coast Dairy Advancement Group. We believe this youth camp allows young people to have an insight to an extremely important industry that needs more young adults involved in.

The camp allows the youth to show off their existing skills and also to learn new ones in areas that they may have never had experience in.

The youth will be taught their new skills by industry specialists from artificial insemination to the inner workings of the milking machines.

We are seeking participants for this year's camp now. If students would like to apply please fill in the attached forms.
