### **Model United Nations Assembly (MUNA)**

Please be advised that *MUNA 2017 will be held at Kempsey High School, Broughton Street, Kempsey between Friday 2<sup>nd</sup> June and Sunday 4<sup>th</sup> June 2017.* Attached is an application form for this year's event. Also attached is a copy of a letter inviting participation that has been forwarded to High Schools within the District. You may wish to follow up with your local High School.

We would like to thank all District 9650 Rotary Clubs who have previously participated in this program and ask that you again "seek out" a team or teams from your local High School. We are again providing & encouraging early registration. Teams that indicate early, have a greater chance of receiving their desired country allocations.

Last year we had a few schools who nominated up to 4 teams. This is great, but as space & time is limited at the venue, it also meant that there were some schools who missed out. This year we have initially limited the number per school to 3 teams, but we will have a waiting list and will allocate additional teams for the schools if all the spots are not filled.

For those clubs which have not previously participated, we strongly recommend this program and remind you the purpose of the Assembly is to simulate the workings of the United Nations with the aim of building bridges of goodwill for world peace and understanding in the minds of youth. Student delegates are advised in advance of the country which they will represent and the motions to which they need to speak. Each team sponsorship is only \$230 (covers MUNA materials, a formal dinner, lunches and morning and afternoon teas for 2 students and their counsellor). You can sponsor as many 2-student teams as you like.

*As there is a significant amount of work that needs to be done once registrations have been received, registration cut off date has been set at 5<sup>th</sup> May 2017. The registration form can be sent by either the school or the Rotary Club. We ask that you include the cheque for payment with the form. If you wish to pay via EFT, the bank details are on the form.*

Thank you for your past and continuing support of this program.  
Yours in Rotary,
