and/or Year 11 Co-Coordinator

Dear Sir/Madam,

### **Model United Nations Assembly (MUNA)**

Further to our correspondence late last year, we are pleased to invite you to MUNA 2016.

MUNA is a project run by Rotary Districts, both in Australia and overseas, which aims to build international understanding and fellowship.

### **The details of MUNA 2016 are as follows:**

**Date:** Friday 27<sup>th</sup> to Sunday 29<sup>th</sup> May 2016  
**Venue:** Kempsey High School, Broughton Street, Kempsey NSW 2440  
**Registrations:** Closing Date 11<sup>th</sup> April 2016

MUNA is a fantastic opportunity for your Year 11 students to gain an in-depth understanding of the Global Issues that are facing us today. For those schools who have never participated, we urge you to seriously consider getting involved. If you wish, we can put you in touch with a school nearby that has MUNA experience.

To register simply contact your local Rotary Club to sponsor a team/s and complete the registration form. If you need contact details for your local Club, please let us know.

MUNA operates with teams of 2 students representing a country. Your school is quite welcome to send more than one team.

We have attached the following information:

- 2016 Application Form
- MUNA Background Paper

We look forward to your school being part of MUNA 2016. When teams receive their country allocations and program we will also send information on Kempsey and accommodation, as well as some useful website tips for student research. If you would like more information in the meantime, do not hesitate to contact me.

Regards,

**Tania Powick**
